WHAT IS PAPER & PEN ERP

One platform for *your whole company*

Paper & Pen is a multi-tenant cloud ERP built in Oman for GCC small and mid-sized businesses. Switch on only the modules you need and grow into the rest, all on one secure platform, fully bilingual, and live in minutes.

1

Single source of truth

Quotes, stock, people and money connected end to end.

5

Languages, full RTL

English, Arabic, Hindi, Bangla and Urdu out of the box.

AI

Built in

Document capture, assistant and forecasting included.

∞

Modular & scalable

From a one-person shop to a multi-entity group.

THE MODULE MAP

Twelve families, *one system*

Sales & Invoicing

Quotes, orders, invoices, payments, credit notes.

CRM & Customers

Pipeline, tickets, loyalty, portal, WhatsApp + AI.

Point of Sale

Terminal, receipts, settlement, POS analytics.

Procurement

Requests, POs, RFQs, vendors, goods received.

Manufacturing

Production orders, BOM, Kanban, machines, QC.

HR & Payroll

Attendance, face kiosk, leave, payroll, SOPs.

Finance & Accounting

Ledger, journals, expenses, bills, Magic Inbox AI.

Banking

Bank sync, reconciliation, transfers, payees.

Inventory & Stock

Stock levels, reorder alerts, stock take, reports.

E-commerce & Portal

Storefront, cart, checkout, self-service portal.

Projects & Job Costing

Projects, tasks, timesheets, job-level costing.

Analytics & Board

Dashboards, report builder, board pack, AI.

Sales & *Invoicing*

FREE CORE

Sell faster

- Quick Sale one-screen billing
- Quotations, clone & revise
- Sample orders
- Sales orders
- Price lists (retail / dealer / VIP)

Invoice & collect

- Invoices with live cost preview
- Payments, incl. split payments
- Recurring invoices
- Credit & debit notes
- Delivery notes

Control

- Quote → order → invoice chain
- Credit approval workflow
- Margin approval queue
- Customer blacklist guard
- Multi-currency & OMR precision

The outcome: every sale costed, approved and collected, with a clean audit trail from the first quote to cash in the bank.

CRM & *customer experience*

Win business

- Leads & opportunities
- Visual deal pipeline
- Tasks & activities
- Client visit logging
- Customer 360 view

Serve & retain

- Help desk & tickets
- Loyalty & retention dashboard
- Knowledge base
- Surveys
- Self-service client portal

Engage

- WhatsApp chat, in-app
- Anna AI assistant
- Message log & audit trail
- Notification preferences
- Email templates

The outcome: one timeline per customer, from first lead to repeat order and support, so nothing falls through the cracks.

Procurement & *inventory*

Buy smart

- Purchase requests
- Purchase orders
- RFQs to suppliers
- Vendor management
- Vendor scorecards

Receive & track

- Goods received notes (GRN)
- Order vs received variance
- Stock levels & movements
- Multi-location stock
- Vendor statements

Stay in control

- Reorder-point alerts
- Periodic stock take + auto JE
- Dead stock & aging reports
- Zero-sales reports
- Stock movement reports

The outcome: buy at the right price and always have the right stock, without sitting on dead inventory.

Manufacturing & *production*

MAKE TO ORDER

Plan

- Production / manufacturing orders
- Bill of materials (BOM)
- Product attributes & categories
- Sample orders

Run the floor

- Production Kanban board
- Machines & scheduling
- Capacity planning
- Reprint jobs (labels / tags)

Assure quality

- Quality dashboard
- QC inspections
- Job costing per order
- Cost engine with margin checks

The outcome: know the real cost and live status of every job on the floor, not just at month end.

HR, attendance & *payroll*

YOUR PEOPLE

People & time

- Employee records
- Face-recognition kiosk
- Attendance + corrections
- Leave requests & approvals
- Overtime & holidays

Pay

- Monthly payroll runs
- Payslips, self-service
- Deductions, fines & bonuses
- Salary advance requests
- Sales commissions

Grow & comply

- Recruitment & onboarding
- Employee contracts
- Announcements
- Visual SOPs + compliance
- Team performance

The outcome: from clock-in to payslip in one place, compliant, paperless and accurate.

Finance, accounting & *banking*

Accounting

- Chart of accounts
- Journal entries + recurring
- General ledger & trial balance
- Expenses & vendor bills
- Debit notes & intercompany

Cash & credit

- Aged receivables & payables
- Post-dated cheque register
- Collections workspace
- Magic Inbox AI bill capture
- Finance & cash-flow overview

Banking

- Live bank sync (Bank Dhofar)
- Auto bank reconciliation
- Outgoing transfers + approval
- Saved payees
- POS settlement & online payments

The outcome: books that stay current, with the bank reconciled automatically and no double entry.

E-commerce & *client portal*

SELL ONLINE

Online storefront

- SEO-friendly product catalog
- Product detail pages & variants
- Shopping cart & checkout
- Online payment (Paymob, Amwal)
- Shop order management

Self-service portal

- B2B quote request forms
- Customer views quotes & invoices
- Pay invoices online
- Order & delivery tracking
- Branded per tenant

The outcome: sell online and let customers serve themselves, view, track and pay, day or night.

Analytics, reporting & *the boardroom*

See the business

- Finance & sales dashboards
- HR & inventory analytics
- POS & profitability analysis
- Consumption trends

Build your own

- No-code report builder
- Saved & scheduled reports
- Custom PDF designer
- AI demand forecasting

Board & investors

- Income statement (P&L)
- Balance sheet
- Cash-flow statement
- Investor pack & steering deck

The outcome: from the shop floor to the board table, everyone works off one trusted set of numbers.

WHAT SETS IT APART

AI & automation, *built in*

Magic Inbox

Email or upload a supplier invoice and AI extracts it, matches the vendor and bank payment, and drafts the bill for one-click posting.

Anna AI assistant

An always-on assistant connected to email and WhatsApp, plus AI business insights surfaced across the system.

Face-recognition kiosk

Web-based biometric attendance with photo capture, no separate hardware or native app needed.

Bank automation

Live bank-statement sync with smart auto-reconciliation, including split-payment matching, and secured transfers.

THE PLATFORM

Multilingual, multi-tenant, *secure*

5 languages, full RTL

English, Arabic, Hindi, Bangla, Urdu, switchable per user.

Multi-tenant SaaS

Per-tenant branding, logo, colours and custom domain.

Passwordless login

Secure one-tap OTP sign-in over WhatsApp or email.

Document chains

Every quote, order and invoice linked and traceable.

Workflows & audit log

Automation rules plus a full who-changed-what trail.

Cloud + desktop app

Browser anywhere, with a dedicated desktop application.

Paper & Pen ERP

Run your whole business on *one platform.*

Start with Sales & Invoicing, then switch on the modules you need as you grow. Set up in minutes, in your language.
