BY

BHD Group, Muscat

Everything in one place

Twelve module families. One system.

Start with the free Sales & Invoicing core, then switch on whatever you need. Every module shares the same customers, stock and ledger, so nothing is ever entered twice.

**Sales & Invoicing**
Quotes, invoices, payments

**CRM & Customers**
Pipeline, tickets, loyalty

**Point of Sale**
Terminal & settlement

**Procurement**
POs, RFQs, vendors

**Inventory & Stock**
Levels, alerts, stock take

**Manufacturing**
Orders, BOM, Kanban

**HR & Payroll**
Attendance, leave, payroll

**Accounting**
Ledger, bills, Magic Inbox

**Banking**
Sync, reconcile, transfers

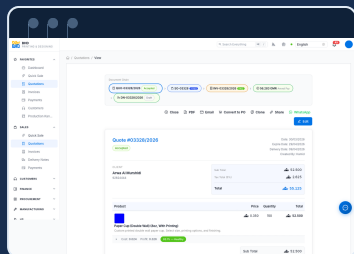

**E-commerce & Portal**
Shop, checkout, portal

**Projects & Delivery**
Tasks, costing, delivery

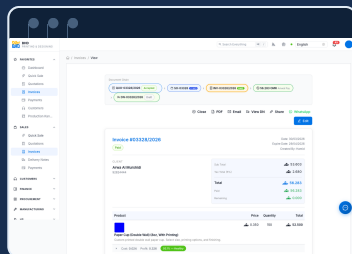

**Analytics & Board**
Dashboards, reports, board

- Finance & sales dashboards
- HR & inventory analytics
- POS & profitability analysis
- Consumption trends

Build it

- No-code report builder
- Saved & scheduled reports
- Custom PDF designer
- AI demand forecasting

Board

- Income statement (P&L)
- Balance sheet
- Cash-flow statement
- Investor pack & steering deck

Built in, on every plan

Clever bits that save you hours

Magic Inbox

Email or photograph a supplier invoice; AI reads it, matches the vendor and bank payment, and drafts the bill for one tap.

AI Assistant

An always-on assistant on email and WhatsApp, with AI business insights across the system.

Face check-in

Staff clock in at a screen with their face, no cards, no app, no buddy-punching.

Bank on autopilot

Live statement sync with smart auto-reconciliation, including split-payment matching.

The platform

Multilingual, multi-tenant, secure.

Underneath every module sits one modern, secure platform, built for how GCC businesses really work.

العربية

English

हिन्दी

বাংলা

اردو

5 languages, full RTL

English, Arabic, Hindi, Bangla, Urdu, per user.

Your branding

Logo, colours and custom domain per business.

Passwordless login

One-tap OTP sign-in by WhatsApp or email.

Document chains

Every quote, order and invoice linked end to end.

Full audit log

A complete who-changed-what trail, timestamped.
