Paper & Pen

Meet Paper & Pen

Your whole business, in **one simple app.**

Sales, stock, staff, money and the bank, all in one place. In Arabic and English, on your phone or computer.

Made in Oman, for businesses like yours. **A BHD Group product.**

Sound familiar?

Running a business feels like juggling **ten** different apps.

Orders lost in WhatsApp

Stock counted on paper

Invoices stuck in Excel

Chasing payments by phone

Payroll on a calculator

No idea what you really made

The fix

One app does the job of **ten**.

Everything your business does, in one place. Everyone sees the same thing, nothing falls through the cracks, and it speaks your language.

Quote & get paid

Keep customers close

Sell at the counter

Track your stock

Run your workshop

Pay your team

Sort the books

Sell online

See your numbers

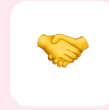

Everything you need, **nothing you don't.**

Get paid faster

Quote in seconds, send a proper invoice, and always know who still owes you.

- ✓ Turn a quote into an invoice in one tap
- ✓ Take payment by card, cash or online link
- ✓ Reminders chase late payers for you

Keep customers close

Everything you know about a customer in one place, so you never drop the ball.

- ✓ Reply on WhatsApp, right from the app
- ✓ Let them view and pay invoices online
- ✓ Spot your best customers, win repeat business

Never run out

Know exactly what's on the shelf and get a nudge before you run low.

- ✓ Live stock counts across every location
- ✓ Reorder reminders so you're never short
- ✓ Send purchase orders to suppliers in a click

Make it, on time

Follow every job on a simple board and know the real cost of each order.

- ✓ See every job's status at a glance
- ✓ Know what materials each order needs
- ✓ See the true profit on every job

Pay your team, no headaches

Attendance, leave and payroll in one place, so payday just works.

- ✓ Staff clock in with their face, no cards
- ✓ Track leave, overtime and advances
- ✓ Run payroll in a click, payslips sent for you

Your books, basically done

The boring accounting bits happen on their own in the background.

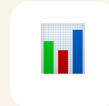

- ✓ Snap a supplier bill and it files itself
- ✓ The bank reconciles automatically
- ✓ VAT and reports always ready to go

Sell online too

Open your own shop and let customers order and pay around the clock.

- ✓ Your own online store, ready to go
- ✓ Customers order and pay themselves
- ✓ Orders drop straight into the system

Know your numbers

Open the app and see how the business is really doing, today.

- ✓ Live dashboards: sales, cash and dues
- ✓ See what's selling and what's not
- ✓ Board-ready reports whenever you need them
